LAXMINARAYAN INSTITUTE OF TECHNOLOGY, AMRAVATI ROAD,
NAGPUR 440033. E-mail: otaiwznagpur@gmail.com

INVITATION

Dear Sir/ Madam,

The Oil Technologists' Association of India (OTAI), founded in 1943 is a pioneer International Association in the field of Oils and allied products. It is continuously engaged in disseminating the latest relevant information regarding scientific and technical development by way of organizing symposia. The Nagpur Branch of the Western Zone of OTAI started functioning in the year 2000 and endeavors to serve as a guide to Scientists, Technologists, Industrialists, Entrepreneurs and Students in the field of Oils, Soaps, Paints and Oleochemicals. Since its inception, the OTAI, WZ, Nagpur Branch has organized several seminars and workshops at Nagpur on issues pertaining to oils, soaps, paints and oleochemicals with tremendous response from the Industrialists and entrepreneurs who have been richly benefitted.

Despite enormous scope for Oil, Soap, Paint, Biofuel and Oleochemical industries in Central India, the situation is very dismal. To address this issue in particular, the Nagpur Branch of the Oil Technologists Association of India, Western Zone is organizing a seminar on “**Recent Trends In Oils and Oleochemicals**” on Sunday, 9th January, 2011 at Hotel Heritage, Civil Lines, Nagpur.

The Seminar will provide an excellent opportunity to bring together Scientists, Technologists, Industrialists, Entrepreneurs and Students in the field of Oils, Soaps, Paints and Oleochemicals of this region on a common platform to interact, share resources, improve networking within the region for mutual benefit..

The changing paradigms, emerging technologies, dynamic marketplace and environmental and regulatory issues will be deliberated at the Seminar. The presentations will be by invited speakers who will include captains of the industry, business leaders and technology innovators.

The conference will have an inaugural function followed by presentations and deliberations. A poster session will also provide a peep into on current research work in the field of Oils, Soaps, Paints and Oleochemicals..

The Hotel Heritage which has been chosen as the seminar venue is centrally located at Nagpur near the VCA Cricket Ground at Civil Lines, Nagpur and offers the best ambience and flavour of oranges of the city of Nagpur.

The seminar offers sponsorship opportunities for corporate, manufacturers and trade organizations to take advantage of this unique opportunity by actively participating in the event.

On behalf of the Nagpur Branch of OTAI, WZ, I invite you to be present on the occasion and actively participate in the Seminar. I am sure that this seminar will offer some solutions to the number of problems being faced by the Industry as also create new avenues for Entrepreneurs.

Looking forward to meet you at the Seminar.

Yours Sincerely

Chairman, OTAI, WZ, Nagpur Branch

<u>REGISTRATION FEES</u>	<u>Upto 15-12-2010</u>	<u>After 15-12-2010</u>
